New home

We hope you are enjoying the new venue and, on behalf of the Memory Lane team, we would like to thank you for your patience and understanding as we get used to the new facilities and arrangements.

We would really like to hear your thoughts and suggestions so we can make your Tuesday visit to Memory Lane as enjoyable as possible. Please fill in the suggestion slip at the bottom of this letter and we'll share your comments with our committee.

Arrival time

Please remember that the café does not open until 11am. As our volunteers will be getting the hall ready, we would ask that you either wait in your car or in the 'café' area of the Meeting Place, just as you walk in.

Parking

As parking is more limited than at The Rosary, please make sure you park considerately, leaving space for other cars wherever possible. You might want to drop passengers at the front door then find somewhere to park if getting in or out of the car isn't easy for them.

Wifi code

This is the WiFi code at The Meeting Place:

Network - BTHub3J8MF

Password – 6eb2b72b79

If you'd like any help entering the password into your mobile, let us know and one of the volunteers will help you.

Alcohol

At present, we ask that you do not bring or consume alcohol on the premises during our opening hours as we do not want to impact on the licence of The Meeting Place. We will clarify this situation with the lease holder and let you know if this situation changes.

In other news ...

The dementia-friendly swimming sessions trial at Fore St has been going well with several of our visitors joining in. As the trial finishes on Thursday 9th May, we'd like to encourage more people to give it a go. So, if you fancy having the chance to swim in a quiet and familiar pool, come along on Thursday from 3-3.50pm. The session costs £3.75 for your loved one and is free for carers. The car park is next to Fore St and costs £1. If you'd like more information, please speak to Tina.
